Re: The Town of Fort Myers Beach Pension Plan, GA# 54526

Dear Retirement Plan Administrator:

VALIC has updated its Governmental Volume Submitter Plan, as required by IRS regulations, to incorporate the provisions of the Economic Growth and Tax Relief Reconciliation Act of 2001 ("EGTRRA") and subsequent legislation and the IRS has approved the updated document. Plans that are currently using VALIC's Governmental Volume Submitter Plan document must adopt this updated version of the document by no later than **April 30, 2010**. Please review carefully this letter and the enclosed documents and note the action required.

- Adopting Resolution (Requires execution)
- Restated Adoption Agreement (Requires execution)
- Governmental Volume Submitter Basic Plan Document
- Copy of the IRS Opinion Letter

Failure to timely adopt this plan restatement by the deadline could result in disqualification of your plan (*i.e.*, contributions could become taxable to participants) as well as costly penalties if discovered upon IRS audit.

Please note that to date we have not received a signed copy of the Final 415 Regulations Amendment previously sent in October 2008. Since your Plan could have been considered to be individually designed at that time, under the Code, such plan was required to be amended for these changes depending on the plan's limitation year and when your governing body meets. Please ensure that we receive a copy of this signed Amendment.

It is important to note that the EGTRRA-updated Governmental Volume Submitter Plan reflects provisions that are widely used across the industry and provides for more flexibility in plan design. Since the options in the updated plan are not identical in all instances to the prior Prototype Plan, we have converted your existing plan provisions to comparable ones in this updated document. **It is imperative that the enclosed plan documents be reviewed closely to ensure that the provisions accurately reflect your current operation of the plan.** Please note the sections below in your review as they may differ from your current operation.

- Involuntary distributions (see Section N. of the Governmental Volume Submitter Plan Adoption Agreement and Appendix A)
- Plan entry date (see section F.3. of the Governmental Volume Submitter Plan Adoption Agreement and Appendix A)
- Normal Retirement Date (see Section K.1. of the Governmental Volume Submitter Plan Adoption Agreement, Appendix A, and Section 1.22 of the Governmental Volume Submitter Basic Plan Document)
- Early Retirement Age and Date (see Section K.2. of the Governmental Volume Submitter Plan Adoption Agreement, Appendix A, and Section 1.12 of the Governmental Volume Submitter Basic Plan Document)

If you wish to maintain your existing plan provisions that are not provided for within this Prototype Plan, please let us know.

Please sign and return one copy of the Board Resolution and Adoption Agreement to the address below. The other items should be maintained in your Plan records.

AMENDMENT FOR THE FINAL 415 REGULATIONS

ARTICLE I PREAMBLE

- 1.1 **Effective date of Amendment.** This Amendment is effective for limitation years and plan years beginning more than ninety (90) days after the close of the first regular legislative session (of the legislative body with authority to amend the Plan) that begins on or after July 1, 2007, except as otherwise provided herein.
- 1.2 **Superseding of inconsistent provisions.** This Amendment supersedes the provisions of the Plan to the extent those provisions are inconsistent with the provisions of this Amendment.

- 1.5 **Effect of restatement of Plan.** If the Employer restates the Plan, then this Amendment shall remain in effect after such restatement unless the provisions in this Amendment are restated or otherwise become obsolete (e.g., if the Plan is restated onto a plan document which incorporates the final Code §415 Regulation provisions).

ARTICLE III FINAL SECTION 415 REGULATIONS

- 3.1 **Effective date.** The provisions of this Article III shall apply to limitation years beginning more than ninety (90) days after the close of the first regular legislative session (of the legislative body with the authority to amend the Plan) that begins on or after July 1, 2007.
- 3.2 **415 Compensation paid after severance from employment.** 415 Compensation shall be adjusted, as set forth herein and as otherwise elected in Article II, for the following types of compensation paid after a Participant's severance from employment with the Employer maintaining the Plan (or any other entity that is treated as the Employer pursuant to Code § 414(b), (c), (m) or (o)). However, amounts described in subsections (a) and (b) below may only be included in 415 Compensation to the extent such amounts are paid by the later of 2 1/2 months after severance from employment or by the end of the limitation year that includes the date of such severance from employment. Any other payment of compensation paid after severance of employment that is not described in the following types of compensation is not considered 415 Compensation within the meaning of Code § 415(c)(3), even if payment is made within the time period specified above.
- (a) **Regular pay.** 415 Compensation shall include regular pay after severance of employment if:
- (1) The payment is regular compensation for services during the participant's regular working hours, or compensation for services outside the participant's regular working hours (such as overtime or shift differential), commissions, bonuses, or other similar payments; and
 - (2) The payment would have been paid to the participant prior to a severance from employment if the participant had continued in employment with the Employer.
- (b) **Leave cashouts and deferred compensation.** Leave cashouts shall be included in 415 Compensation, unless otherwise elected in Section 2.2 of this Amendment, if those amounts would have been included in the definition of 415 Compensation if they were paid prior to the participant's severance from employment, and the amounts are payment for unused accrued bona fide sick, vacation, or other leave, but only if the participant would have been able to use the leave if employment had continued. In addition, deferred compensation shall be included in 415 Compensation, unless otherwise elected in Section 2.2 of this Amendment, if the compensation would have been included in the definition of 415 Compensation if it had been paid prior to the participant's severance from employment, and the compensation is received pursuant to a nonqualified unfunded deferred compensation plan, but only if the payment would have been paid at the same time if the participant had continued in employment with the Employer and only to the extent that the payment is includible in the participant's gross income.
- (c) **Salary continuation payments for military service participants.** 415 Compensation does not include, unless otherwise elected in Section 2.2 of this Amendment, payments to an individual who does not currently perform services for the Employer by reason of qualified military service (as that term is used in Code § 414(u)(1)) to the extent those payments do not exceed the amounts the individual would have received if the individual had continued to perform services for the Employer rather than entering qualified military service.
- (d) **Salary continuation payments for disabled Participants.** Unless otherwise elected in Section 2.2 of this Amendment, 415 Compensation does not include compensation paid to a participant who is permanently and totally disabled (as defined in Code § 22(e)(3)). If elected, this provision shall apply to all participants for the period specified in Section 2.2 of this Amendment.
- 3.3 **Administrative delay ("the first few weeks") rule.** 415 Compensation for a limitation year shall not include, unless otherwise elected in Section 2.2 of this Amendment, amounts earned but not paid during the limitation year solely because of the timing of pay periods and pay dates. However, if elected in Section 2.2 of this Amendment,

415 Compensation for a limitation year shall include amounts earned but not paid during the limitation year solely because of the timing of pay periods and pay dates, provided the amounts are paid during the first few weeks of the next limitation year, the amounts are included on a uniform and consistent basis with respect to all similarly situated participants, and no compensation is included in more than one limitation year.

3.4 Inclusion of certain nonqualified deferred compensation amounts. If the Plan's definition of Compensation for purposes of Code § 415 is the definition in Regulation Section 1.415(c)-2(b) (Regulation Section 1.415-2(d)(2) under the Regulations in effect for limitation years beginning prior to July 1, 2007) and the simplified compensation definition of Regulation 1.415(c)-2(d)(2) (Regulation Section 1.415-2(d)(10) under the Regulations in effect for limitation years prior to July 1, 2007) is not used, then 415 Compensation shall include amounts that are includible in the gross income of a Participant under the rules of Code § 409A or Code § 457(f)(1)(A) or because the amounts are constructively received by the Participant. [Note if the Plan's definition of Compensation is W-2 wages or wages for withholding purposes, then these amounts are already include in Compensation.]

3.5 Definition of annual additions. The Plan's definition of "annual additions" is modified as follows:

(a) **Restorative payments.** Annual additions for purposes of Code § 415 shall not include restorative payments. A restorative payment is a payment made to restore losses to a Plan resulting from actions by a fiduciary for which there is reasonable risk of liability for breach of a fiduciary duty under applicable federal or state law, where participants who are similarly situated are treated similarly with respect to the payments. Generally, payments are restorative payments only if the payments are made in order to restore some or all of the plan's losses due to an action (or a failure to act) that creates a reasonable risk of liability for such a breach of fiduciary duty (other than a breach of fiduciary duty arising from failure to remit contributions to the Plan). This includes payments to a plan made pursuant to a court-approved settlement to restore losses to a qualified defined contribution plan on account of the breach of fiduciary duty (other than a breach of fiduciary duty arising from failure to remit contributions to the Plan). Payments made to the Plan to make up for losses due merely to market fluctuations and other payments that are not made on account of a reasonable risk of liability for breach of a fiduciary duty are not restorative payments and generally constitute contributions that are considered annual additions.

(b) **Other Amounts.** Annual additions for purposes of Code § 415 shall not include: (1) The direct transfer of a benefit or employee contributions from a qualified plan to this Plan; (2) Rollover contributions (as described in Code §§ 401(a)(31), 402(c)(1), 403(a)(4), 403(b)(8), 408(d)(3), and 457(e)(16)); (3) Repayments of loans made to a participant from the Plan; and (4) Repayments of amounts described in Code § 411(a)(7)(B) (in accordance with Code § 411(a)(7)(C)) and Code § 411(a)(3)(D) or repayment of contributions to a governmental plan (as defined in Code § 414(d)) as described in Code § 415(k)(3), as well as Employer restorations of benefits that are required pursuant to such repayments.

(c) **Date of tax-exempt Employer contributions.** Notwithstanding anything in the Plan to the contrary, in the case of an Employer that is exempt from Federal income tax (including a governmental employer), Employer contributions are treated as credited to a participant's account for a particular limitation year only if the contributions are actually made to the plan no later than the 15th day of the tenth calendar month following the end of the calendar year or fiscal year (as applicable, depending on the basis on which the employer keeps its books) with or within which the particular limitation year ends.

3.6 Change of limitation year. The limitation year may only be changed by a Plan amendment. Furthermore, if the Plan is terminated effective as of a date other than the last day of the Plan's limitation year, then the Plan is treated as if the Plan had been amended to change its limitation year.

3.7 Excess Annual Additions. Notwithstanding any provision of the Plan to the contrary, if the annual additions (within the meaning of Code § 415) are exceeded for any participant, then the Plan may only correct such excess in accordance with the Employee Plans Compliance Resolution System (EPCRS) as set forth in Revenue Procedure 2006-27 or any superseding guidance, including, but not limited to, the preamble of the final §415 regulations.

3.8 Aggregation and Disaggregation of Plans.

(a) For purposes of applying the limitations of Code § 415, all defined contribution plans (without regard to whether a plan has been terminated) ever maintained by the Employer (or a "predecessor employer") under which the participant receives annual additions are treated as one defined contribution plan. The "Employer" means the Employer that adopts this Plan and all members of a controlled group or an affiliated service group that includes the Employer (within the meaning of Code §§ 414(b), (c), (m) or (o)), except that for purposes of this Section, the determination shall be made by applying Code § 415(h), and shall take into account tax-exempt organizations

under Regulation Section 1.414(c)-5, as modified by Regulation Section 1.415(a)-1(f)(1). For purposes of this Section:

(1) A former Employer is a "predecessor employer" with respect to a participant in a plan maintained by an Employer if the Employer maintains a plan under which the participant had accrued a benefit while performing services for the former Employer, but only if that benefit is provided under the plan maintained by the Employer. For this purpose, the formerly affiliated plan rules in Regulation Section 1.415(f)-1(b)(2) apply as if the Employer and predecessor Employer constituted a single employer under the rules described in Regulation Section 1.415(a)-1(f)(1) and (2) immediately prior to the cessation of affiliation (and as if they constituted two, unrelated employers under the rules described in Regulation Section 1.415(a)-1(f)(1) and (2) immediately after the cessation of affiliation) and cessation of affiliation was the event that gives rise to the predecessor employer relationship, such as a transfer of benefits or plan sponsorship.

(2) With respect to an Employer of a participant, a former entity that antedates the Employer is a "predecessor employer" with respect to the participant if, under the facts and circumstances, the employer constitutes a continuation of all or a portion of the trade or business of the former entity.

(b) **Break-up of an affiliate employer or an affiliated service group.** For purposes of aggregating plans for Code § 415, a "formerly affiliated plan" of an employer is taken into account for purposes of applying the Code § 415 limitations to the employer, but the formerly affiliated plan is treated as if it had terminated immediately prior to the "cessation of affiliation." For purposes of this paragraph, a "formerly affiliated plan" of an employer is a plan that, immediately prior to the cessation of affiliation, was actually maintained by one or more of the entities that constitute the employer (as determined under the employer affiliation rules described in Regulation Section 1.415(a)-1(f)(1) and (2)), and immediately after the cessation of affiliation, is not actually maintained by any of the entities that constitute the employer (as determined under the employer affiliation rules described in Regulation Section 1.415(a)-1(f)(1) and (2)). For purposes of this paragraph, a "cessation of affiliation" means the event that causes an entity to no longer be aggregated with one or more other entities as a single employer under the employer affiliation rules described in Regulation Section 1.415(a)-1(f)(1) and (2) (such as the sale of a subsidiary outside a controlled group), or that causes a plan to not actually be maintained by any of the entities that constitute the employer under the employer affiliation rules of Regulation Section 1.415(a)-1(f)(1) and (2) (such as a transfer of plan sponsorship outside of a controlled group).

(c) **Midyear Aggregation.** Two or more defined contribution plans that are not required to be aggregated pursuant to Code § 415(f) and the Regulations thereunder as of the first day of a limitation year do not fail to satisfy the requirements of Code § 415 with respect to a participant for the limitation year merely because they are aggregated later in that limitation year, provided that no annual additions are credited to the participant's account after the date on which the plans are required to be aggregated.

ARTICLE IV PLAN COMPENSATION

- 4.1 **Compensation limit.** Notwithstanding Amendment Section 4.2 or any election in Amendment Section 2.2., if the Plan is a 401(k) plan, then participants may not make elective deferrals with respect to amounts that are not 415 Compensation. However, for this purpose, 415 Compensation is not limited to the annual compensation limit of Code § 401(a)(17).
- 4.2 **Compensation paid after severance from employment.** Compensation for purposes of allocations (hereinafter referred to as Plan Compensation) shall be adjusted, unless otherwise elected in Amendment Section 2.2, in the same manner as 415 Compensation pursuant to Article III of this Amendment, except in applying Article III, the term "limitation year" shall be replaced with the term "plan year" and the term "415 Compensation" shall be replaced with the term "Plan Compensation."

4.3 **Option to apply Plan Compensation provisions early.** The provisions of this Article shall apply for Plan Years beginning more than ninety (90) days after the close of the first regular legislative session (of the legislative body with authority to amend the Plan) that begins on or after July 1, 2007, unless an earlier effective date is specified in Section 2.2. of this Amendment.

This amendment has been executed this _____ day of _____, _____.

OVERVIEW OF FINAL SECTION 415 REGULATION CHANGES AND TIMING OF PLAN AMENDMENT

Background

Section 415 of the Internal Revenue Code ("Code") limits the annual additions (i.e., contributions and/or forfeitures) that may be made to qualified defined contribution plans on behalf of a given participant to the lesser of (i) \$46,000 (2008 figure), or (ii) 100% of the participant's compensation for the plan year. In April of 2007, the IRS and the Department of Treasury issued final regulations under Code Section 415 clarifying the definition of "compensation" for purposes of the 100% of compensation limit, clarifying the definition of "annual addition," and providing guidance regarding the correction of excess annual additions.

The Section 415 limit is a key provision in qualified plans, as plans are required by statute to include provisions in the written plan document expressly prohibiting contributions to the plan in excess of the Section 415 limit. In addition, many plans define "compensation" for allocation purposes using a Section 415 definition of compensation.

The final 415 regulations have changed the definition of "compensation" for purposes of the limitation on annual additions. Under the final regulations, "415 Compensation" is now required to include certain amounts (such as bonuses, commissions, overtime or shift differential) that are paid after severance of employment, so long as they are paid by the later of 2 1/2 months after severance of employment or the last day of the limitation year which includes the date the participant terminates employment, and they are not paid "on account of" termination of employment. There are also four types of post-severance compensation that may be included in 415 Compensation, if the plan so provides (including certain cash-outs of unused sick or vacation leave, certain distributions from nonqualified plans, salary continuation to participants on military leave, and salary continuation for participants who are permanently disabled) so long as they are paid within the time frame described above, and they satisfy certain additional restrictions. However, the final regulations clarify that 415 Compensation does not include amounts that are paid on account of termination of employment (i.e., "severance pay") if such amounts are paid after severance of employment. Plans that use the "long-form" definition of 415 Compensation are also required to include amounts deferred under nonqualified plans that become taxable during the plan year on account of Section 409A, Section 457(f), or the doctrine of constructive receipt.

Under the Code, qualified plans are required to be amended for changes in the law or the regulations that affect the qualification requirements under Section 401(a) of the Code (including the final 415 regulations). For governmental employers, such "interim" amendments must generally be adopted by the 15th day of the tenth month after the close of the calendar year that includes the effective date of the new law or regulation.

Effective Date

For governmental plans, the final Section 415 regulations are effective for limitation years (which are generally the same as the plan year) beginning more than ninety (90) days after the close of the first regular legislative session (of the legislative body with authority to amend the plan) that begins on or after July 1, 2007. Thus, for calendar year plans, if the legislative body with authority to amend the plan met during the third quarter of 2007, the regulations are effective January 1, 2008. Such plans must be amended by October 15, 2009. However, plans whose plan year ends between September 30 and December 30 may have to be amended earlier. For example, if an employer's plan year/limitation year ends on November 30, and if the legislative body with authority to amend the plan met between July 1, 2007 and August 31, 2007, the final 415 regulations became effective on December 1, 2007, meaning the amendment may need to be executed by as early as October 15, 2008.

Thus, calendar year plans should adopt the Amendment (to comply with the final 415 regulations) no later than October 15, 2009. Non-calendar year plans should adopt the Amendment as soon as possible (as the deadline could be as soon as October 15, 2008).

Execution of Amendment

Enclosed you will find an "Amendment for the Final 415 Regulations," a sample resolution for proper authorization of the amendment by your governing body, and a section-by-section explanation of the Amendment. As explained in the enclosed materials, the amendment has certain "default" provisions (which are described in Section 2.1 of the Amendment), and a section (Section 2.2) in which you may elect to have different provisions apply. **You must execute the amendment, regardless of whether you choose to apply the default provisions in Section 2.1 or whether you elect one or more of the optional provisions in Section 2.2.**
