Hi Michelle,

My name is Peter Pine and this email is to let you know that I am interested in serving on the Marine Resources Task Force committee. I have owned property on and off the island for over 25 years. I became a full time resident and boater here 11 years ago. My wife, Carla, owns the Salty Dog Gallery & Gifts store located at 1901 Estero Blvd. and I am a full time realtor with Century 21 TriPower Realty located at 2001 Estero Blvd. We live here full time at Sportsman's Cove condos on San Carlos Island.

I feel strongly about protecting and preserving our marine resources and I believe now is a good time for me to get involved to do what I can to help.

Please call or email me if you have any questions. My contact information is listed below.

Best regards,
Peter Pine

RE: Marine Resources Task Force

Dear Council Members:

I am writing to express interest in becoming a member of the Marine Resources Task Force Division of Fort Myers Beach. My qualifications, experience, and lifestyle will be of good use and helpful for this Division's success at achieving its' goals.

My qualifications include a Bachelor of Science degree in Biology from the University of North Florida and have worked a total of 9 years for the Water Management District, Department of Environmental Protection, and Collier County Environmental Services. Currently, I am self employed and co-own Good Time Charters LLC in Fort Myers Beach. We specialize in educational wildlife excursions in Estero Bay as well as the Everglades Area. I am also a certified Florida master naturalist.

Being a property owner, and business owner in Fort Myers Beach, and an overall wildlife enthusiast, the health of our environment and ecosystem is vital to my health, lifestyle, and successful business.

I am greatly interested in becoming part of the Marine Resources Task Force team and thank you for your consideration.

Sincerely,

Cristina Denegre
