**Re:** Update on Olde Seaport CPD application

---

On July 29<sup>th</sup>, 2014, Rob DeGennaro from Barrier Island Management LLC and Rob Fowler, Sr. from Fowler Construction applied for a rezoning of the former Snug Harbor CPD for a project titled Olde Seaport CPD.

Staff has been reviewing the application and preparing the staff report. Notices were sent to all property owners within 500 feet of the subject property (441/445 and 645 Old San Carlos Boulevard) on September 30<sup>th</sup>, 2014.

Due to an oversight, the advertisement for the newspaper was not sent by the required publishing date. As a result, the case cannot be heard until the November LPA meeting.
