JOB POSTING
BUILDING PLANS EXAMINER

Date: June 30th, 2023
Hiring Wage: From \$55,000 Annually
Benefits: Eligible for Town's Comprehensive Health & Benefits Program
Hours of Work: Monday through Friday 8:30 AM – 4:30 PM

Closing Date: Open until filled.

The Town of Fort Myers Beach is seeking a Building Plans Examiner. Under the technical supervision of the Community Development Director/Building Official, This position will review residential, commercial, and miscellaneous construction and project plans for the Community Development Departments Building Services Division. The position provides support for various divisions in the Community Development Department and maintains necessary certifications according to the division of assignment. Employees in this class are responsible for ensuring compliance with established standard building and/or zoning codes and regulations. Incumbents possess a broad background in general construction practices that provides a solid knowledge of inspecting structures, reviewing plans, and interpreting various forms of site documentation, i.e., architectural drawings, maps, schematics, and engineering designs. The position is responsible for reviewing and approval/denial of various permits, and the accurate recording of all approved permits.

Minimum Qualifications

High School Diploma / GED. Must have five (5) years of verifiable experience in the construction industry in the building discipline. Must have State of Florida Plans Examiner License (PX). Must meet the Requirements for the Building Plans Examiner Certification.

Must have Certification as a Residential Inspector (formerly known as a 1 & 2 Family Building Inspector) from the State of Florida.

The Town of Fort Myers Beach is an Equal Opportunity Employer

ADA/DFWP
